Product Description

Goldoni Motocultivators

TWIST 8S Two-wheeled Tractor

Year 2014

Goldoni is the leading manufacturer when it comes to two-wheeled tractors and specialized tractors for orchards and vineyards, with a range of powerful, agile, tough and versatile machines.

They are suitable for every type of requirement and soil condition and carry mowing implements, ploughs, diggers and every other sort of implement around with the utmost self-confidence. The peculiarity of Goldoni's production is specialization: from equal-wheel tractors to 4WD tractors without forgetting the crawler versions, the salient features of these machines are their small size,

compact and solid structure, high quality and maneuverability.

Twist is the two-wheeled tractor created by Goldoni to revolutionize the quality of your work, even during your leisure time! Twist is the result of 50 years of experience. Its qualities are the ones that have made Goldoni's professional machines famous: simplicity, maneuverability, safety and exceptional sturdiness. Its potential is infinite. Just turn the handlebars through 180° and you can use all the front-mounted implements, such as: the lawn mower, mower, snow plough, scraper, etc.
